EXAMINER'S AMENDMENT/COMMENT

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

The primary reason for the indication of the allowability of claims 1-20 is the inclusion therein of the limitations of a recording head (scanning/non-scanning type) including a plurality of recording head units, the recording head units having an ink discharging surface; and a uniformizing unit positioned between the recording head units for keeping a distance between the recording medium and the surface. These limitations are neither suggested nor taught by the prior art of record, alone or in combination as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
